WEBSITES

PREPARED FOR	DATE	QUOTATION VALIDITY
Private Client	**28 October 2026**	**30 days**

01 Project Overview

Design and development of seven professional, interconnected websites: five business websites, one philanthropic website, and one central group and personal website. Each will have a distinct identity tailored to its audience while remaining connected to the wider group.

The central website will serve as the primary gateway, connecting visitors to the businesses and philanthropic initiatives through seamless navigation.

02 Project Investment

Website Design & Development

WEBSITE	INVESTMENT
Agriculture	**₦400,000**
Energy	**₦400,000**
Consulting	**₦400,000**
Microfinance	**₦400,000**
Real Estate	**₦400,000**
Philanthropy	**₦450,000**
Central Group & Personal	**₦550,000**
TOTAL DEVELOPMENT INVESTMENT	**₦3,000,000**

Monthly Website Management

MANAGEMENT PLAN	MONTHLY FEE
Standard rate - ₦50,000 × 7 websites	**₦350,000**
Group management discount	**-₦50,000**
PREFERRED GROUP RATE	**₦300,000 / month**

ANNUAL SAVING	₦600,000

The monthly retainer covers routine website maintenance, content updates, security and performance checks, minor adjustments, and technical support within agreed service limits.

03

Scope of Work

Seven websites, each shaped for its own audience and connected through clear, considered navigation.

FIVE BUSINESS WEBSITES

Agriculture, Energy, Consulting, Microfinance, and Real Estate. Each includes up to five pages, custom design, industry-specific content, service information, contact forms, and navigation to the wider group.

PHILANTHROPY WEBSITE

A dedicated platform for the foundation's mission, initiatives, impact stories, partnerships, and community engagement.

CENTRAL GROUP & PERSONAL WEBSITE

A central presence featuring the founder's biography, group overview, subsidiary directory, philanthropic activities, and navigation across the group.

Services Included

Custom Design
Distinct, responsive interfaces reflecting each organisation's identity.

Content Development
Industry research and professional copy based on client-approved information.

Modern Development
React / Next.js implementation for flexibility, performance, and maintainability.

Connected Navigation
Thoughtful links between all seven websites for easy discovery.

SEO & Accessibility
Basic search optimisation and accessible, mobile-friendly experiences.

Security & Confidentiality
Secure configuration, HTTPS, suitable access controls, and discreet handling of sensitive information.

Domain & Email Setup
GoDaddy domain configuration and professional business email setup assistance.

Quality Assurance
Functional testing, two consolidated design revision rounds per website, and 30 days of post-launch defect fixes.

04 Delivery & Payment

Development will be completed in agreed phases, prioritising websites according to business readiness.

Payment Milestones

MILESTONE	PAYMENT	AMOUNT
Project commencement	40%	**₦1,200,000**
Design approval and initial development	30%	**₦900,000**
Development completion and final testing	20%	**₦600,000**
Final approval and launch	10%	**₦300,000**
TOTAL PROJECT INVESTMENT	**100%**	**₦3,000,000**

DELIVERY SCHEDULE	A delivery schedule will be confirmed following project approval.
